Sir,

In submitting herewith a copy of resolution No. 7/23-10-1936 of the " WORKS & COMMUNICATION STANDING COMMITTEE" of the District Board, I wish to state that the road in question is an important one. Its extension up to the river is quite essential. An estimate amounting to Rs 400/- has been received and an extract from the report accompanying the estimate is enclosed in order to give the Government an idea of the work to be done.

2. The private lands required have been

made over to the Board by means ofadeed of gift duly registered. Only the Government lands have to be got vested in the Board, and this will be done on -- receipt of orders of Government on this reference.

3. I request therefore that the Government may be pleased to permit the Board to maintain -- the unmaintained portion of the road with effect from the next official year.

Your obedient servant,

PRESIDENT,

Report and specification to accompany the estimate for " Extending Kalavar Thokur road till the river" - Estimate Rs 400/-.

The Kalavar. Thokur road has been opened only for a length of 2 miles and maintained by this department. This has to be extended till the river for a length of 750/- ft. Difficulty is keenly felt by public for want of a road at this place as they have to carry things to the boat by head-loads. There is Government poramboke land available throughout except a small length in the beginning as noted in the enclosed sketch which the wargadar is willing to give free for the road and the statement to that effect is herein enclosed.

Roads--Kalavar Thokur road--Extension and maintenance by District Board--remarks on.

Ref:- Government endorsement No. 38466-1-C-1 dated 23rd December 1936. p2 and 1

The proposed extension will be useful, as explained in the report accompanying the estimate. Beyond the patta lands made over to the District Board, there are lands registered as channel porambokes. These are marshy lands and there will be no difficulty in transfering them to the District Board for forming the road. The proposal may be accepted. p5 and 6
